ABE Examination conditions and regulations – Please read carefully

Students should check the programme syllabuses (see ABE website www.abeuk.com) for current rules on **compulsory** and **optional** subjects before submitting their examination entry form.

Business Communications and Presentation (BCP)

- Because of developments in UK regulation, ABE has decided that a pass in BCP can be used to complete the Business Management (BM) Diploma (instead of a pass in Management in Action), or the Business Information Systems (BIS) Diploma (instead of a pass in Information Systems Project Management) **until December 2010**.

Managing Systems Change (MSC)

- A pass in MSC may be used to complete the BIS Advanced Diploma (instead of a pass in Information Systems Strategic Management) **until December 2010**.

Certificate progression

- Students must pass **at least three** Certificate subjects before progressing to the Diploma. However, **all four** Certificate subjects must be passed before the Diploma can be awarded.

Diploma progression

- Students must pass **at least seven subjects** in the Diploma before progressing to Advanced level. However, **all nine required** Diploma subjects must be passed before the Advanced Diploma can be awarded.

Subject entries

- There is no limit to the number of subjects which candidates may enter. Do **not** enter for subjects whose dates clash, **as the timetable cannot be rescheduled**.

Notification slip

- A notification slip will be sent to all candidates approximately **two weeks** before the examinations. If you do not receive your notification slip, you can print one from the ABE Members Area on the ABE website (see below) or request a copy from the ABE office **at least one week** before the start of the examinations.
- **You must take the notification slip and personal identification (including a photograph) to every examination you sit.**

Transfers

- Candidates may transfer their examination entry to the next session, **December 2010**, providing the transfer request with £15 transfer fee is received by **Monday 17 May 2010**. The transfer cannot apply to any subject(s) other than the original entry.

Non attendance

- Examination fees are not refundable. If a candidate fails to attend an examination or withdraws after the closing date, the examination fee cannot be refunded.
- **In the event of illness**, and upon receipt of a medical certificate and transfer fee of £15 by **Monday 28 June 2010**, the subject(s) will be transferred to the next examination session, December 2010. Transfers will **not** be accepted without payment of the £15 fee.

Access arrangements (examination reasonable adjustments)

- To meet its commitment to equality of opportunity, ABE will, as far as is reasonably practical, endeavour to ensure access for people of all abilities, irrespective of physical capacity, in order that all candidates receive the same level of service and opportunity. Applicants for Reasonable Adjustments should email the Quality and Assessment Department at the ABE office on rasc@abeuk.com **no later than Friday 9 April 2010, the final closing date for examination entry**.

Conduct during examinations

- Books, dictionaries, written or printed material, programmable calculators, electronic dictionaries, personal organisers or other electronic aids are **not** allowed during the examinations (except in specific subjects where permission is explicitly stated on the question paper). **Possession of these items will result in disqualification from that examination session.**
- Candidates must **not** collude with or disturb another candidate or communicate with any other person (except an ABE invigilator) during the examinations.
- **Mobile phones or any other electronic communication devices** must be switched off completely before entering the Examination Hall. They must **not** be left on desks or used as calculators.
- Candidates who fail to comply with ABE examination regulations or commit any misconduct during an examination **will be disqualified from that examination session and all their scripts from that session will be cancelled**. Repeated or gross misconduct will lead to termination of membership of The Association of Business Executives.
- Question papers must **not** be removed from the Examination Hall. They will be available shortly after the examinations on the ABE website.
- **Candidates should not bring valuable personal possessions into the Examination Hall as ABE or its agents cannot accept responsibility or liability for loss or damage to personal possessions.**

Notification of results

- Candidates will be notified individually of their examination results, normally about two months after the examinations.
- Examination results will **not** be issued to any candidate who owes annual subscriptions or any money to ABE.
- Result slips indicate Pass or Fail and alphabetical grades (for details see syllabus); it is not the policy of ABE to disclose the marks awarded.
- Award certificates are sent separately from result slips and should be received within **three months** after release of examination results.

Student members can view their records and exam details by accessing the Members Area of the ABE website, www.abeuk.com Just enter your membership number and password and follow the instructions.

Specimen and Past Questions and Answers (and other tuition resources) are available on the Members Area.
