Please note, university programmes may change and this can invalidate a progression route if the content of the new programme is no longer similar to the mapped qualification. Admission to any degree course is at the university's discretion.

ABE university progression agreements document

Welcome!

The credits ABE units carry are widely recognised by the academic community in the UK and many other countries. Therefore, most universities and institutes in credit-based countries recognise ABE qualifications for exemptions against similar units.

This document lists institutes which have confirmed clear progression routes for ABE qualification holders - bear in mind this is not a definitive list of all the university progression options that are available to you.

First and foremost we have a partnership with the University of Hertfordshire (UH) which offers a direct transition from any ABE Level 5 Diploma or Level 6 onto the UH BA (Hons) Business Administration (top-up) at a price that is only for ABE qualification holders. This is exclusively for ABE learners, the programme is delivered online and facilitated through ABE and ABE centres - [read more here.](#)

Please note, with the exception of the UH top-up, admission onto any programme remains at the discretion of the institute and entry requirements can change from time to time.

Ubiquity University, USA

Distance learning / self-study

Business Management (inc. Financial Management, HRM, Marketing)

Level 5 & 6 Diplomas

Ubiquity University has developed a BA Capstone Completion programme designed to complement ABE Level 5 & 6 Diplomas.

Ubiquity offers low tuition fees and accepts all the course credits from ABE diplomas and then “completes” these courses with its BA degree programme. They also offer MBA, EMBA, and MSC degrees for those students interested.

Ubiquity is seeking to provide the Liberal Arts core competencies that you need to successfully navigate a world of increasing complexity. It is important that you have vocational training. This provides you with professional competencies. It is equally important that you learn leadership, critical thinking, innovation, creativity, and entrepreneurship. This provides you with skills that will enhance your perspective and give added meaning to your life.

Ubiquity provides learners with “dual qualifications” in which learners receive their ABE diploma and also receive a BA degree from Ubiquity for the online courses they take.

Ubiquity honours and accepts all the courses that learners are taking at ABE centres so the BA is in effect a completion degree, enabling you to receive both your ABE diploma and a BA degree.

Learners studying in person at local centres can work on their Ubiquity online courses in two ways: either simultaneously or sequentially. You can take the Ubiquity online courses while you are completing your studies at your local centres, or you can wait until you’ve finished your ABE course and take the BA Capstone Completion courses as ABE alumni.

Learners can apply directly to Ubiquity but if you apply through your centre then your centre will receive a contribution from Ubiquity. It’s worth asking your centre to get in touch with Ubiquity.
