

November - School & University Engagement

India – Nepal – Bhutan

The month of November began with one of India's largest and most widely celebrated festivals Diwali - The festival of lights. ABE Global sent out Diwali greetings to our centres in India and Nepal.

Bunts Sangha's Arathi Shetty International School visit, Mumbai

Meeting with the Principal Mrs Namrata Saxena, the Administrator Mr Kabir and the Managing committee at Bunts Sangha's Arathi Shetty International School in Mumbai. I visited their new campus on 07 November to also learn about the newly created entrepreneurship lab in the school basement that forms the perfect incubation centre for young learners.

Educon International School, Pune

A parent orientation was organised about ABE on 16th November with the support of Educon International School in the city of Pune. Thanks to Dr Nikhil Wagh and Mrs Chandana Choudhury for inviting parents and students and for the smooth conduct of the session. It was a pleasure to address the parents and clear their doubts along with the school staff.

ABE Booth at Ekya FIND Festival at Bengaluru, Karnataka

Kudos to the dedicated team at Ekya Nava, Panathur, Bengaluru who organised a mega event and launched their new campus on 17th November. Parents and students visited the ABE booth with lots of questions. Eager and prospective parents collected our brochures and flyers. Aruna, their centre coordinator welcomed the ABE set-up and has also been a speaker at ABE webinars in earlier months.

ABE @ Ekya Nava, FIND Festival

Meeting with SRM Public School, Chennai

Discussions ensued with one of the leading educational consultants in Tamil Nadu, Ms K R Malati, who was the academic advisor to the SRM Schools in Chennai. The SRM group consists of universities and schools with over 5000+ students.

Visit to The Pupil – Saveetha Eco School, Chennai

It was a pleasure to visit and meet Dr Mrs Saveetha Rajesh, Founder of The Pupil - Saveetha Eco School in Chennai, Tamil Nadu. The Principal, Mrs Dolly Mohan had a wonderful tour of the school planned, where I learnt weaving and clay makings, skills I never knew I possessed. Students have a great opportunity here to learn about culture and revive ancient art forms.

MEGA International School visit on 19 November 2024

Discussions are on with Dr Sami and Dr Ritu Chauhan in introducing ABE programmes in the IT capital of India-Bengaluru. They are seasoned educationists with years of experience working with international and national exam boards. They truly believe in introducing educational programmes for the betterment of society and it was an honour to have this conversation on employability skills for students.

Visit to Radcliffe School, Navi Mumbai

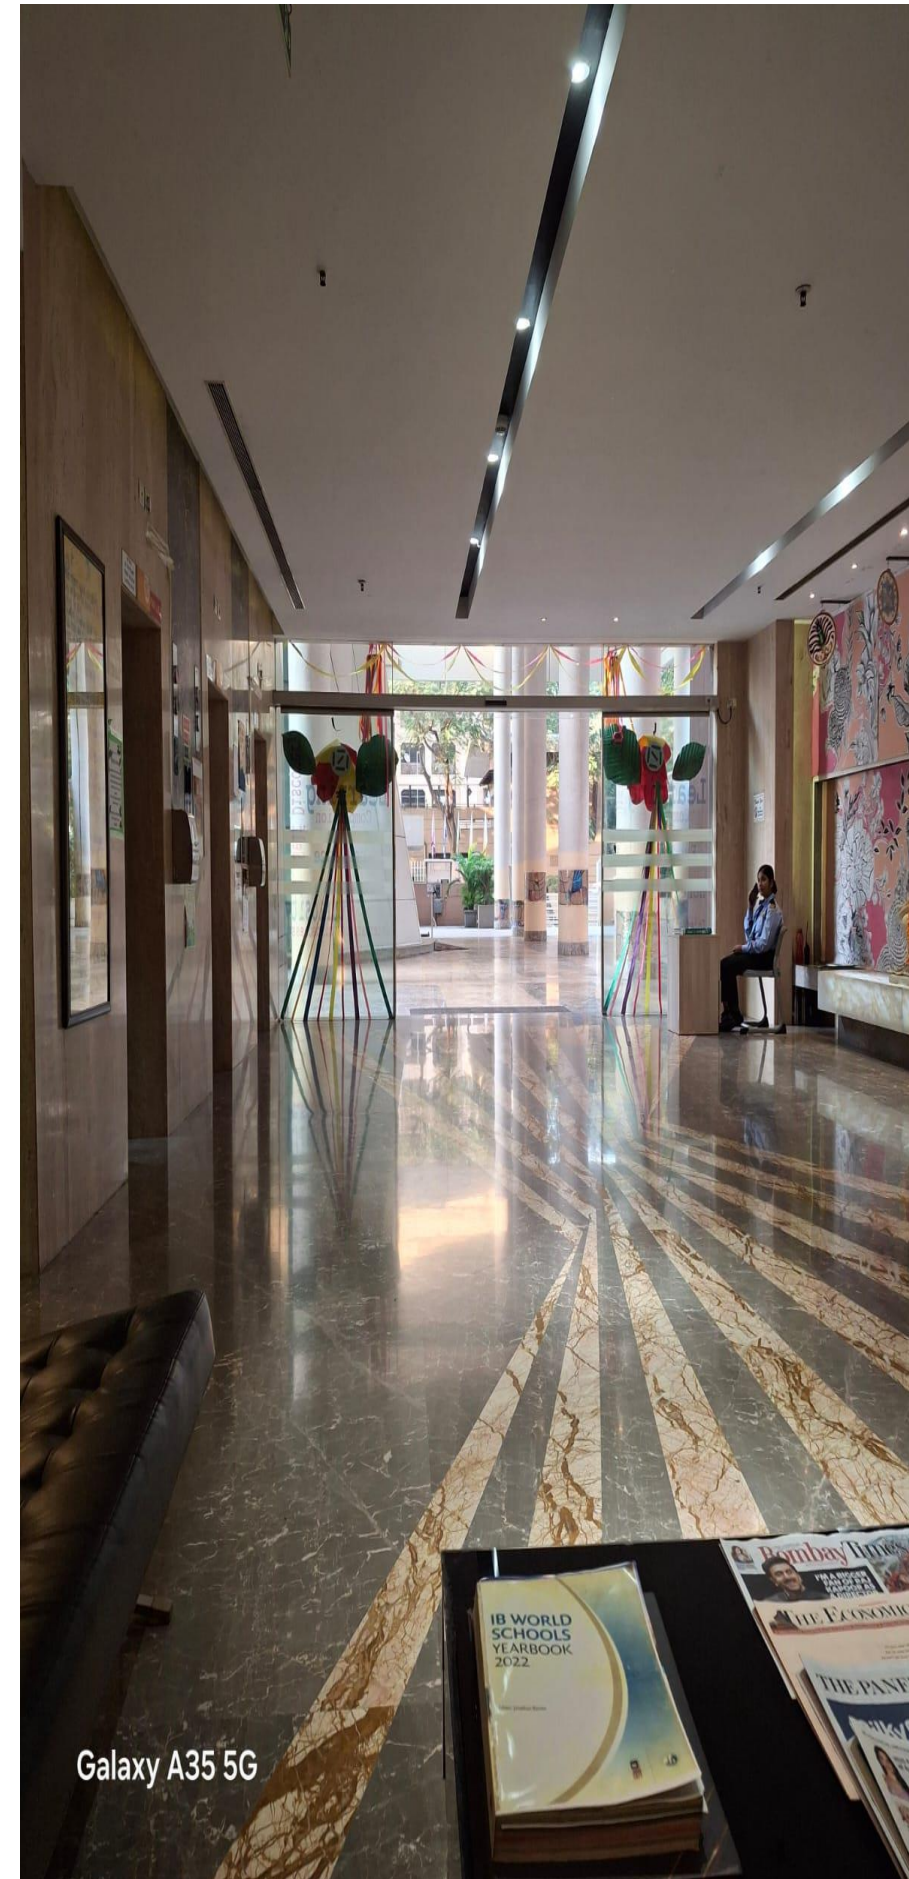

Discussion with the SLT team at Radcliffe schools in Navi Mumbai. Part of a chain of schools across the country Radcliffe brings in several after-school activities that engage learners. It was a pleasure to meet the Academic Director, Mr Kishore Iyengar and the Principa,l Mrs Ishita Goshal.

Amrit Shakti's Nahar International School, visit

Late evening meeting with Mrs Vandana Arora who has completed ten years at Nahar International School. Congratulations to you Vandana!

The school offers two international boards and caters to a gated society developed by a real estate magnet, Mr Sukhraj B Nahar who is part of the Amrit Shakti group.

Hiranandani Foundation School, visit

Hiranandani Foundation Schools in Mumbai and Thane cater to the Indian and international curricula. Mrs Kalyani Patnaik, a dear friend and an exemplary Principal with over three decades of teaching and managing schools is considering ABE L2 & L3 qualifications. We are delighted to engage with the Hiranandani Foundation Schools to extend access to ABE programmes for all their students.

ABE Global webinar on 25 November 2024

On 25th November, over 60 delegates from 11 accredited ABE centres in India, Nepal and Bhutan converged virtually on sharing best practice and implementation of ABE programmes and qualifications. Full details are on the ABE LinkedIn SM Channel.

About the School

It gives me great pleasure to pen down a few words that outline our mission and vision for Kaasthamandap Vidhyalaya: a school with progressive education at its centre. Learning is always a dynamic and organic process and the ways and means of doing so are varied and challenging. We, at Kaasthamandap Vidhyalaya, seek to provide students a congenial and positive, yet challenging environment that will support their all-round development needs and inner awareness. This, we hope, will lay the foundation that will eventually bring about in our graduates the best capabilities which will make them productive members of our society, country and eventually the world.

To further our vision of caring and sharing with our community which is at the heart of all our educational endeavors we have recently started providing teacher training and school management services through our outreach program conducted under the KLTCE (Kaasthamandap Learning and Training Centre for Excellence) banner. The entire team of KLTCE, comprising our new leadership and coordinators' group, are highly educated and well trained and I have full faith in their ability to help Kaasthamandap spread its wings and reach out to the larger community to make a positive impact in our country's education sector.

Dr. Shiba Thapa
Founder Director/ Principal
