

Welcomes You

SHARK TANK

Future Entrepreneuers

January 16, 2025 Thursday

9 a.m. to 11 a.m.

Omkar Cambridge International School

Basement hall, MIDC, Dombivli

Dear Parents,

We are happy to notify you of the highly anticipated "Shark Tank Event," which marks the culmination of the KidsMBA program. We are grateful that you took the initiative to enroll your child in this program and to support it.

The Shark Tank event will be held on Thursday, January 16, 2025, from 9 to 11 a.m. in the basement hall of our school. Students will perform during the allocated time. For five minutes, each student will present their ideas and respond to the questions posed by the sharks. When they have finished their presentation, they will return to their own classrooms. The results will be announced the same day.

Given that our students are performing for the first time, we intend to run the program with both students and sharks. Photos and videos will be used to document the entire program. Since we will be posting student presentations on our social networking sites, parents can view their children's performance via digital media.

A certificate of completion for the KidsMBA program will be given to each student. The Star Performer Certificate will be awarded to the student with the best business idea proposal.

The Star Performer winner's business idea video will be sent to the international competition in accordance with the rules that ABE has set. The winner of Shark Tank (or Dragon's Den) will have the chance to compete in the 'Future Entrepreneur of the Year' ABE worldwide competition. It's a fantastic accomplishment for the winner (or winning team) to include on their resume. To win the "Star Performer Certificate," please encourage your child to put in their best effort.

Thank you for your cooperation and assistance.

Thanks & Regards,

Team Omkar
